I'm Aansh

A programmer

Hello.

I am pursuing my studies in **COMPUTER ENGINEERING**.I am studying at DJ Sanghvi College of Engineering.

· · · · ·

My Skills.

Design and Development

I like to design a website,app and to update it according to latest technologies.This also develops my skills.I want to explore more in the field of computer science.

Singing

I love singing a lot.The only skill which I learnt by myself.Bollywood songs are my favourite.
